

# FREQUENT ASKED QUESTIONS AND FACT SHEET

## FAVORITE ASKED QUESTIONS:

### Q When would I use this?

A. To provide an over view of your medical history to assist the medical professional or any service agency during a visit or medical emergency.

### Q. How can I get my elderly parent to use it?

A. Remind him or her before they go their doctor visit to take it with them. Also, remind them to have the doctor write a summary of the visit in the appropriate section to better assist the caregiver and family members.

### Q. Do I need to use all of the sheets or sections in this book?

A. No. Tailor it for your needs.

### Q. How can I get more sections?

A. There is reorder form in the back of the book, or contact the office via the internet or postal.

### Q. Can I take this with me when I travel?

A. Yes! Take it with you when are traveling for business or pleasure in the event you may require a medical emergency. This is will assist not only the medical professional but also your traveling companion.

### Q. Can I start this book today or should I wait for a medical situation to arise?

A. Start TODAY! Update sections of the book that are pertinent to your medical history then you will be prepared to use it when the need arises.

## FREQUENT COMMENTS AND RESPONSES

- ◆ I can finally take control of my medical history.
- ◆ Now I won't have to memorize every detail and hope that it is correct. There are many times I hoped I was giving the correct information to the doctor.
- ◆ This will be so helpful for my parents. Now I will be able to assist them when I need to accompany them to their doctor visit.
- ◆ I have a child with many medical needs and this will be so helpful.
- ◆ Finally something to help be organized with my medical history-so helpful.
- ◆ Great! A medical history book that will help me for the rest of my life.
- ◆ This is what my patients need.
- ◆ I am a first time mom and this book is great to help me take care of my child.
- ◆ My husband suffered a stroke and this helped the emergency people and me when they had to take care of him.
- ◆ My mother had an emergency and when I took her to the hospital the book was invaluable to assist me and the medical professionals to help her easier.
- ◆ This book is so easy to use that it eliminates the memorization and repetition of health information.
- ◆ After my accident I have found this book so invaluable. It has not only assisted me when I am asked a question from a doctor or a therapist, but also the knowledge that I will be able to keep a medical record of what happened for the rest of my life. I will not need to memorize it or look for the paperwork. It is all in my journal.
